MEET YOUR SPEAKERS...

Cindy Parke, MSN, CNM

Certified Nurse Midwife, Educator, and Clinician; Cindy has taught essentials of women's health, pregnancy, and childbirth topics to nurses nationwide. An active member of the American College of Nurse-Midwives, Ohio Association of Advanced Practice Nurses, Sigma Theta Tau, the Jacobs Institute of Women's Health and the

International Cesarean Awareness Network, Cindy's focus is on comprehensive assessment and care; antepartum through postpartum. Recognizing the risks, choosing appropriate interventions, responding to the clinical findings - this program presents a focused overview of maternal care.

Tracy Karp, RNC, MS, NNP

Author, Educator, Researcher, Clinician: Tracy Karp has twenty nine years experience in neonatal nursing. He is currently the Neonatal Nurse Practitioner manager at Primary Children's Medical Center and The LDS Hospital. He is also on Clinical Faculty at the University of Utah College of Nursing in Salt Lake City, Utah. He has presented at various conventions; served on multiple state, regional, and national neonatal committees, and has authored or co-authored numerous chapters and articles including the "Neonatal Emergencies" chapter in the recent Mosby's *Pediatric Emergency Nursing* text and the "Neurosurgical Conditions" chapter in NICU Ink's *Neonatal Surgical Procedures: A Guide for Care and Management*.

WHAT PEOPLE SAY...

"Dear Cindy, it was a pleasure to attend your seminar. Your content was excellent, relevant and very well delivered. Your caring nature and pride in your profession is so clear. Thank you for sharing your expertise!"

"EXCELLENT course -speaker and content! Cindy is terrific, compassionate and facilitates communication!"

"What a GREAT instructor! Tracy is phenomenal with his background, knowledge and clinical expertise!"

"I LOVED this course! Tracy made complex physiology, systems assessment, complications and nursing response clear and concise - I learned an incredible amount!"

PROGRAM AMENITIES

All PEC programs provide morning coffee/tea/decaffe, light lunch, and afternoon sodas. A comprehensive training manual is provided for each participant. **Classroom style seating (table/chair) is the preferred PEC room set-up**, however due to unpredictable enrollment and hotel limitations, it may be necessary in some locations to provide partial classroom with partial theatre seating in the back half of the room.

CONTINUING EDUCATION CREDITS

Professional Education Center (PEC) is a provider approved by the California Board of Registered Nursing, Provider #9890, Florida NCE2219, Iowa #290, and Kansas #LT0170-0261 for 23 (7.5 day) Contact Hours. Professional Education Center is a provider approved by the Alabama State Nurses Association which is accredited as an approver of Continuing Education in Nursing by the American Nurses Credentialing Center, ANCC Provider #5-67 and by the American Association of Critical Care Nurses (AACN) Category A, File number 08MNB; for 19.5 Contact Hours (6.5 day). Meets Texas Type I criteria. This program is designed to meet Board of Nursing CE requirements for license renewal in all 50 states.

CE Certificate is issued at program conclusion.

WHO SHOULD ATTEND:

- **AP - IP - PP and Neonatal Nurses**
- **Mother-Baby and LDRP Nurses**
- **Maternal and Newborn Clinical Specialists**
- **Nurses Needing a Review or Orientation to Maternal and/or Newborn Care Situations...**
- **Nurses planning to take the Maternal Newborn or Low Risk Newborn RNC exam**

Fast paced, comprehensive and intense review of physiology, pathophysiology, signs/symptoms, diagnosis, treatment and prognosis of mother and the low-risk newborn. This program will refresh your knowledge base, improve your assessment skills for clinical practice and assist you as a caregiver as well as preparation for the RNC exams.

PROGRAM OBJECTIVES:

Through Lecture and Discussion This Program Will:

- Describe maternal, fetal and neonatal physiology, norms and expected outcomes from the antepartum to the postpartum period, determining potential risk factors affecting outcomes.
- Review maternal history and physical findings to determine potential risk factors affecting maternal, fetal and neonatal outcomes.
- Identify normal and abnormal findings through physical assessment, laboratory values and common screening tools.
- Describe components for neonatal assessment and systems review.
- Describe common problems and complications in the antepartum, intrapartum, postpartum, and transitional time periods.
- Identify the at risk mother, fetus and newborn based upon multiple facets of information available to the care provider.
- Discuss elements of lactation, nutrition and breastfeeding.
- Describe components of education and support for maternal, newborn and family care.
- Discuss role adaptation, nursing care and family dynamics relative to maternal and newborn norms, deviations and needs.

GUARANTEE - CANCELLATION - TAXES

GUARANTEE: If you are not satisfied with the content and presentation of this program, notify the registrar by 12 noon on program date for refund of registration fees. **CANCELLATIONS:** Up to **7 days** before the program choose: Registration fee refund minus \$25 per day administrative fee or full value credit letter. **Cancellation within 7 days:** No monetary refund. Send a substitute or request a credit letter (minus \$25/day administrative fee) which will allow you to apply fees to a future program of your choice. If program cannot be held due to circumstances beyond our control (natural disaster, strike, etc.) the seminar will be rescheduled. Registrants may choose free admission to the rescheduled program or a credit voucher good for any future PEC program. PEC reserves the right to substitute qualified speaker(s) in response to emergency circumstances beyond our control. **Professional tuition, travel/meal expenses are tax deductible.** Consult your tax advisor for details.

Maternal & Low Risk Newborn Nursing Comprehensive Assessment & Care...

DAY ONE - Maternal

The NCC Core exams for RNC certification are separate from and have no affiliation with this course, it is a service/option for PEC Maternal-Newborn course registrants. If you wish to take the NCC exam following PEC review course presentation, you must complete the PEC-NCC Exam application and send directly to NCC. If NCC application is missing from this brochure please call PEC at 800-732-2387 for additional form or download at www.proedcenter.com. ONLY the PEC-NCC application may be used for testing at these sites. You may photocopy and staple the four page application. *NCC Application must be postmarked at least 21 days prior to exam date. Submission of application does not guarantee acceptance by NCC to sit the exam. Testing site inclusion does not constitute NCC endorsement of course, course content, or materials provided. NCC and PEC are not affiliated organizations. A collaborative effort has provided an educational (PEC) and testing (NCC) opportunity available to clinicians nationwide. *PEC is not responsible for delayed mail - see mail date required by NCC on application.
