## MEET YOUR SPEAKER...

### M. Terese Verklan, PhD, CCNS, RNC

Practicing Neonatal Clinical Nurse Specialist, NIH researcher and internationally acclaimed educator, Dr. Terese Verklan is committed to providing you with the most up-to-date and clinically relevant information to enhance your current and future practice in the NICU.

Dr. Verklan is the editor of **Core Curriculum for Neonatal Intensive Care Nursing**, as well as a chapter contributor for *Transition to Extrauterine Life, Neurologic Disorders and Legal Issues*. She has been a guest editor for JOGNN's Clinical Issues and for the Journal of Perinatal and Neonatal Nursing. She is a reviewer and editorial board member for a number of professional journals, and is an Associate Editor for Nursing and Health Sciences. Terese is a member of the American Association of Critical Care Nurses, Association of Women's Health, Obstetric and Neonatal Nurses, National Association of Neonatal Nurses and the Academy of Neonatal Nursing. She knows the key issues and clinical challenges you face today. Because she continues to provide bedside care in a tertiary NICU, she knows what you need to know for quality care and advanced practice. Join her as she presents a dynamic, informative and clinically focused program developed specifically for the practicing nurse!

## WHAT PEOPLE SAY...

**"EXCELLENT speaker! Handouts provided a wealth of information - comprehensive & easy to understand!"**
