In Excellent Orientation tool as well as an exam prep!

PEC and PEC are separate entities, and providing the NCC exam on site is an EXCLUSIVE PEC advantage to our participants. Convenient and concise, couple the review with the exam (next morning) for improved results. Learn from the Best and Pass the Test!
MEET YOUR SPEAKER...

Cindy Parke, RNC,CNM, MSN
Certified Nurse Midwife, Legal Expert, Educator, and Clinician; Cindy has taught essentials of women’s health, pregnancy, and childbirth topics to nurses nationwide. An active member of the ACNM, AWHONN, Sigma Theta Tau, and the International Cesarean Awareness Network, Cindy’s focus has always been on physiologic focused care. Her review is a comprehensive coverage of maternal/fetal care throughout pregnancy, labor & delivery, and postpartum. This course will direct you in recognizing normal labor, as well as the risks in birth. The course assists you in choosing appropriate individualized interventions within standardized protocols, and brings you new tools. Respond well to both the normal and the critical clinical challenges that present in L&D and review for the RNC exam.

WHAT PEOPLE SAY...

“As a Nurse-Manager I wish ALL my staff could attend this conference, the logical, physiological based discussion was so geared to the SAFETY INITIATIVES as to be essential!”

“I have been to many classes with PEC and this has been my favorite! Cindy is engaging & KNOWLEDGEABLE that kept the class enthralled. I will look for Cindy in the future to take more classes.”

“You thank Cindy! You are an ENGAGING, ENTERTAINING teacher who empowers her students to think critically and helps us be the best nurses we can be!”

“This was the BEST conference I have been to in many years! GREAT speaker, knows her specialty. Also felt very relaxed to interact and ask questions!”

GUARANTEE - CANCELLATION - TAXES
GUARANTEE If you are not satisfied with the content and presentation of this program, notify the registrar by 12 noon 1st day of attendance for refund of registration fees. CANCELLATION: Up to 7 days before the program choose: Registration fee refund minus $25 per day administrative fee or full value credit letter. Cancellation within 7 days: No monetary refund. Send a substitute or request a credit letter (minus $25/day administrative fee) which will allow you to apply fees to a future program of your choice. If program cannot be held due to circumstances beyond our control (natural disaster, strike, etc.) the seminar will be rescheduled if possible. Registrants may choose free admission to the rescheduled program, credit voucher good for any future PEC program. PEC reserves the right to substitute qualified speaker(s) in response to emergency circumstances beyond our control.

CE tuition, travel/meal expenses are tax deductible. Consult your tax advisor for details.

WHO SHOULD ATTEND?

- Labor & Delivery Nurses
- New Labor & Delivery Nurses
- Midwives and Midwifery Students
- Legal Nurse Consultants
- Complexities of L&D Update
- LDRP & Mother/Baby Nurses
- AP Nurses & Childbirth Educators

PROGRAM OBJECTIVES:

Following comprehensive lecture, discussion, audiovisual presentation and case review, you will be able to:

- Review labor physiology, pathophysiology and components of effective labor progress and develop effective patient assessment, care and management techniques that assist birth physiology.
- Develop policies/strategies for labor induction and augmentation based on respect for physiology, safety, evidence and NICHD recommendations.
- Recognize and respond to abnormal labor patterns including tachysystole and dystocia.
- Review pain assessment and management in labor including non-pharmacologic and pharmacologic care techniques.
- Identify adverse fetal response to labor, causation, clinical observations, interventions and intraterranea exacerbation.
- Review new NICHD definitions, categories, and necessary nursing actions.
- Discuss the new JACHO requirements for protocol development and the role of the entire care team.
- Identify normal and abnormal parameters in second stage; explore new research based second stage management.
- Describe risk factors for shoulder dystocia noting clinical interventions and techniques to improve outcomes, and decrease liability.
- Describe indicators of stage III-IV labor emergency situations.
- Develop essential documentation and chart review skills for safer patient care.
- Locate and utilize key web resources for L&D skill building to enhance safe maternity and newborn care.

Option to sit the InPatient OB RNC exam on site. Registration is separate, and must be at least 21 days before test.

*Registration instructions:

The NCC InPatient OB exam is separate from and has no affiliation with this seminar. PEC has established the option for this hosted PEC InPatient OB Review and it’s seminar attendees, to sit the NCC exam. Testing site inclusion does not constitute NCC endorsement of course, course content, or materials provided. NCC and PEC are not affiliated organizations. A collaborative effort has provided an educational (PEC) and testing (NCC) opportunity to clinicians nationwide. PEC has no authority to approve, disapprove or vary any requirement for qualifying for or taking any NCC exam.

Registration for the seminar is through PEC, see the PEC website: www.proedcenter.com, click on Seminars and InPatient OB Review to find your site options.

Application for the exam is through NCC. Exam application MUST BE MADE AT LEAST 21 DAYS PRIOR TO THE TEST DATE. NCC sends you an admission letter following receipt/approval of exam application. Contact NCC if you have applied and have not received your admission letter.

Registration for the on-site NCC exam following attendance at the seminar is separate, and a cost of $275, paid to NCC. We suggest registering with NCC from the PEC website (see the drop down on the home page). In addition, there is an additional $30 administrative fee due to PEC for managing the test.

CONTINUING EDUCATION CREDITS: 16 Hours BRN Credits. (Includes 3 Hours Pharmacology). Professional Education Center (PEC) is a provider approved by the California Board of Registered Nursing, Provider #9890, Florida FBN #2219 approved for a total of 15 (7.5 per day) Contact Hours. Meets Texas Type I provider criteria. This course is designed to meet Board of Nursing CE requirements in all 50 states. Neither program planners nor presenters have any commercial conflict of interest.
